MEET TRACEY & MARTIN

Hi there! We're Tracey-Ann and Martin, wife and husband photography team, and we're ready to capture the fun and romance of your wedding day. We've been documenting love stories for 14+ years (and happily married even longer!) and, along with beautiful photos, our intention is to infuse your day with pure joy!

Partners in life and business, we use our synchronicity to document your day and to capture those special candid moments that make your wedding unique. Our packages always include engagement sessions and a gorgeous, keepsake photo album - because the before and after of your special day is important too, right?

And how did we become a photography team? Well, our journey together began with Martin pursuing a career in psychology, Tracey-Ann working real-life CSI, and then a photography workshop in Venice, Italy, that changed the course of our lives. Was it the magic of that romantic city? The thrill of travel? The joy of meeting new people? Whatever it was, we were hooked, and our passion for photography, and the thrill of capturing the joy and beauty of your wedding day was born.

KEEP UP WITH OUR LATEST ADVENTURES

What to Expect

GET THE MOST OUT OF YOUR PHOTO SESSIONS

Location

Add more personality to your photos by choosing the location of your session! Whether it's the local coffee shop or a local park where you first met your soon-to-be spouse, let us know if there is a place that is sentimental to you!

Payment

A 50% non-refundable retainer is required in order to secure your date. The remaining 50% of your balance is due two weeks prior to your date.

Scheduling

Sessions are scheduled 4-6 months in advance. Cancellations and reschedules must be made via email or phone at least 48 hours prior to your date. Retainers are non-refundable.

What to wear

Wear something that makes you feel comfortable and confident! Rich colors, and stylish accessories photograph really well. Feel free to get creative with your wardrobe!

STYLE TIP:

While it is great to complement your future spouse in photos, by no means do the two of you need to wear matching outfits.

Bring multiple options for outfits to the shoot! It is always good to have choices. Be creative, and let your unique personality shine through!

Wedding Day Tips

Gather all your details before the day starts so we can photograph them quickly! This makes the getting-ready portion of the day go by much more smoothly, and it allows us to spend more time focusing on the spontaneous moments when everyone is together.

Here is a list of ideas: rings, jewelry, invitations, flowers, hair pieces, shoes, socks, cuff links, perfume, letters, pictures, gifts, cultural items, programs, printed pieces, and any unique items you treasure!

LITTLE DETAILS COUNT

Some of our couples' favorite images from their wedding day end up being the detail shots that are taken throughout the day. Details help tie everything together and tell the story of behind-the-scenes moments.

Consider a "First Look" if your ceremony is scheduled after sunset, to take advantage of natural light for your creative bridal portraits.

REMEMBER TO RELAX AND ENJOY THE DAY!

"They are the friendliest couple out there and immediately made us feel at ease. They worked tirelessly on the day of our wedding to make sure things went smoothly for us."

-LAUREN & LUKE

frequently asked questions

YOU HAVE QUESTIONS. WE HAVE ANSWERS.

Q: What sets you apart from other photographers?

A: We take all of our photos in intimate, relaxed settings and try to use natural lighting as often as possible. Our sessions are candid & fun!

Q: How many photographers will be there at our wedding?

A: All of our wedding collections come with two photographers. Tracey as your primary and Martin as your part-time second shooter. If you'd like an additional full-time photographer you can always add one for an additional cost.

Q: Can I choose a package now to lock in the date and change it later?

A: Yes! You can always upgrade your package at any time. We get booked pretty early, so we recommend booking your favorite photographer 10-18 months in advance.

Q: Do you photograph elopements?

A: Of course! Depending on availability and the number of hours you have set aside for photography, we have special rates for weekday weddings and elopements.

Q: Do you offer albums and should I get one?

A: Absolutely! we believe that as photographers our job would not be complete unless you have a tangible record of your wedding day. Our albums are designed by Tracey with some of your favorite photographs and handcrafted by a local family owned company.

Q: How do we reserve our wedding date?

A: A 50% retainer and signed contract is required in order to get your wedding day on our calendar. Two weeks prior to your wedding, the remainder of the balance is due.

have another question?

SEND US A MESSAGE! WE ARE HAPPY TO HELP!

Q: We're having a destination wedding. Do you travel?

A: Yes! We love destination weddings and have been lucky enough to travel internationally to photograph weddings. Send us more information on your travel plans, and we will create a custom wedding collection to suit your needs.

Q: Do I have to order prints through you?

A: We highly recommend ordering prints through our professional vendors, but it is not required. The difference in quality is huge when it comes to ordering through a professional lab, so we encourage clients to let us help with prints!

Q: What equipment do you use?

A: We use all professional Nikon equipment. All our cameras and lenses have a backup in the rare event that anything should happen to one of our pieces.

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: Do you have a list of preferred vendors to use?

A: We sure do! From wedding coordinators to florists and caterers, we have worked with some of the best companies in the industry and would love to share their information with you!
