2017 pricing guide

welcome

Major congrats on your recent engagement! I'm so honored that you're considering having me spend your wedding day along side of you! Wedding photography is a lot of things, but most of all it's an investment in someone to capture and document your wedding day.

When the wonderful day is done, the cake has been eaten, the dress hung, you are left as newlyweds with your wedding photographs.

These images will be your first family heirloom.

Spend some time reviewing this guide. If after reading this, you feel like we'd be a great match for each other, let's meet either over coffee or via Skype to discuss your needs & vision for your wedding!

*Hi,
I'm Holly*

I'm a Northern Illinois wedding photographer who couldn't live without 90s music or Diet Coke.

Couples who choose me are looking for clean, natural, and timeless photographs of their most precious (and crazy!) moments from their big day. What they don't expect, but usually get, is a photographer who also pins boutonnieres, corrals family for portraits, and does an amazing rendition of the running man. I have been incredibly lucky to work with the couples who have chosen me over the years. It is truly an honor to be asked to photograph the biggest day of your lives.
