**INTRO** - F#min A Bm D C#Maj

F#min A Bm D C#Maj  
In the darkness in the pain  
In my weakness I call on your name  
And you light shines through yeah  
Your light shines through  
And it breaks every chain

F#min A Bm D C#Maj  
Oh the glory of redemption  
I hear you say you are exempt son  
Here we are now  
Your grateful generation  
Lift up our song  
With all of creation

F#min E A  
Holy. You are Holy.  
Yeah.
