

ILLUMINATED
MOMENTS

YOU'RE GETTING MARRIED!

We are thrilled that you are thinking of us for your wedding photographers!

Four ways we are the best:

1. No time limits
2. Two in-house photographers
3. Individual enhancement of all of your photos
4. Personalized attention

We want to make things easier for you. So, we don't have packages at all. We have a simply, easy to understand price sheet. You can choose what you need, save time, and get back to planning your wedding.

ADVENTURE SESSION: \$700

This session is my favorite type of session! It is not just a formal session, it is an adventure. We travel around the area, stop at a ton of places, hike a little, stand under the stars, hang out on the edge of cliff, or climb into slot canyons. We create amazing photography.

- All the photo enhancements
- A 8x8 basic book (although we suggest upgrading to the premium)
- Travel within 90 miles
- Web sized versions of 30 images in the book

These sessions typically take 2-3 hours, sometimes a little more.
