 *For Buffet Meals, we have several fun, interactive activities to entertain your guests with, which just brightens up the guest experience. Ask us to explain newlywed trivia, singing tables, 2 truths & a lie and mad libs!* 

## The Toasts

Sj's will emcee this from your head table. Please give us a list of who you anticipate will participate in this tradition. Please indicate whether or not, you, the newlyweds would like to end with a few words.

Will your guests be served 'Champagne' or do they toast with 'Drink in Hand?' \_\_\_\_\_

## Random Activities

### The 'Shoe' Game

*You both sit back-2-back, and are asked fun questions that you answer by holding up your shoe or their shoe!*

### Top '10' List

*During dinner service, we'll have guests write down their answer to a funny question about the newlyweds, then read off a Top-10 list of their best answers.*

### Centerpiece Giveaway

*If you want to award centerpieces to guests, we have a really creative way of doing so!*

### Kissing Couples

*At weddings, guests clink their glasses so you will kiss. Give us a list of married couples and we'll surprise them and make them kiss first!*

### First Dance Recording

(Recordings must take place 30 days prior.)

*We record your thoughts about each other privately and separately, and layer those thoughts into your first dance. We tell the story to your guests as you, and your guests hear it for the very first time.*

### Your Ideas

*What have you seen at other weddings or events that you would like to try?*

## Special Announcements
