FAQ'S

- Do you travel? Abso-flippin-lutely! If you have a special place you would like your photos taken, lets talk! I include up to 30km radius surrounding Bendigo within the standard price, and travel is charged at \$50 per hour (or part thereof) for anything outside that.
- What is the turnaround time? Generally, I can complete your photoshoot and deliver your photos in 1-3 weeks. If you have a deadline, let me know as I can provide "Express Turnaround Guarantee" where you will receive your images within 7 days of the photoshoot. The cost of the Express option is an additional \$75
- Do you have Gift Vouchers available? Yes! If you want to give someone a special gift that lasts a lifetime without the hassle of trying to organise a photoshoot in secret, purchase one of our gift certificates! You can purchase a dollar amount, or an entire session.
- What do we wear? The most important thing is comfort! But if you want a 'theme' of sorts, denim with white is always a winner. Add a splash of colour to add some warmth and personality!
