

Dear Community Leader,

The Performing Arts makes our community more vibrant and beautiful. Do you agree?

Here is an opportunity for your business to give back and make our community better. The Performing Arts provide opportunities for students to develop a passion for creativity. These artists cultivate communication and leadership skills in a unique way while modeling a spirit of inspiration, making our community a better place.

On April 9th, KJ Dance is hosting a GIVING GALA performance event including a silent auction. Proceeds from this 4th annual event will benefit three groups – Graduating High School Seniors, New York City Dance Alliance (NYCDA) College Foundation, and continued education for the Performing Artists right here in Plano/Frisco.

We need your help. We are seeking and gathering items to be donated for the GIVING GALA silent auction.

All GIVING GALA auction proceeds will support the development of young artists across the country as well as, right here, in our local DFW dance community. Your donation item will be featured on KJ Dance social media platforms. Additionally, hundreds of DFW families will have the opportunity to bid on the auction items donated by wonderful community leaders while attending the GIVING GALA event. We are so grateful for your consideration to donate to our 2017 GIVING GALA silent auction, supporting the goals and ongoing development of young Performing Artists.

The GIVING GALA event is produced by KJ Dance and features the award winning KJ PULSE dance companies.

If you are unfamiliar with KJ Dance, please set your G.P.S. to KJ to learn the secret to developing young artists.
