# ABOUT *your photographer*

*Hey there, I'm Caity!*

I am SO thrilled to be working with you. I know how many amazing photographers are out there, so I am honored that you've chosen ME to capture your beauty and your accomplishments. I can't wait to be your new bestie/personal hype girl.

My mission is to serve each client with intentionality, creativity, joy, and authenticity, and to leave them feeling a little bit more confident and beautiful than I found them.

My goal is to create a first-class experience from initial inquiry to gallery delivery, and to make the entire process stress-free, comfortable, and fun for everyone involved.
