

CHRISTMAS WREATH COOKIES

Laurie Riddell

This recipe can be used to make either little wreath cookies or one large wreath for a centerpiece at Christmastime.

Ingredients

1 stick butter

36 marshmallows

1 tsp vanilla extract

1 tsp green food coloring

7 C corn flakes

¼ C Red Hots, other cinnamon candies, or miniature red M&M's (for the berries on the wreath)

Directions

1. In a large saucepan, melt the butter.
2. Add marshmallows and stir constantly until all are dissolved.
3. Add the vanilla and the green food coloring and stir.
4. Add the corn flakes and stir with wooden spoon until blended.
5. Using a foil-covered pizza pan or large cookie sheet, spoon the mixture into one big circle, making it resemble a wreath. Immediately add the red candies to look like holly berries.

For small wreath cookies instead of one big wreath, spoon the mixture into smaller circles.

Tip: To avoid getting sticky fingers while shaping the wreaths, put a small amount of butter on your fingertips.
