# All About Us

Rachael & Shannon

We are a photography & design duo that enjoy shooting weddings, portraits, and mamas to be! Tallahassee, Florida is our home but we love to travel, especially to the happiest place in the world, Disney! We live for the moments and love to capture bright, joyful, and timeless photos of our #APDCouples and clients. You can pretty much call us “Jills” of all trades because we keep busy with all that we do, but photography will always be our number one go to!

Woohoo! You are GRADUATING! Just imagine walking across the stage, grabbing your degree and venturing off into the real world, you will know it was worth it! A graduation session will help you celebrate all of your accomplishments and triumphs you overcame to get to where you are NOW!

As a bonus, you will have a choice to create the perfect graduation announcement for you!
