

# JAINE

## CELEBRATE LIFE'S BEAUTIFUL MOMENTS.

Jaine is a toast to life's most beautiful moments. Capturing the essence of a single vineyard, each bottle of refreshingly crisp white and rosé wine is hand-harvested from sustainable sites and crafted with minimal intervention. This elegant yet effortless approach to winemaking honors our mother and grandmother, Mary Jane. World-traveled and well-connected, she cherished simple pleasures and everyday gatherings with family and friends. She loved. She explored. She reveled in experience. And with every glass of Jaine, we invite you to do the same.

# MEET JAINE.

Jaine is an anytime wine. Light and refreshing, these whites and rosés have a lower alcohol content that lends well to mellow sipping at weekend gatherings. Jaine's crisp, bright notes play harmoniously with plant-based dishes and market fresh fare. Crafted from single-vineyard sites in the Yakima Valley and Royal Slope of Washington State, each vintage is made from a limited supply of hand-picked grapes—thoughtfully produced using sustainable farming practices and minimal intervention. This approach gives Jaine a medium-bodied ease that is tasted in every balanced pour and smooth, friendly sip.
