Held at Crossbar Academy in Tomball, TX on July 27, 2024, College Soccer ID is hosting a women's ID camp with an impressive list of college programs in attendance. Open to all female athletes (8th-12th grade + college transfers) who are interested in playing collegiate soccer, this unique camp offers athletes a chance to showcase their individual skills to a vast range of coaches at a minimal expense. Where athletes may not otherwise have the means to travel and showcase themselves at each school individually, our goal is to bring a multitude of college programs to one location. To keep cost down for our athletes, we kindly ask that you consider partnering with us in sponsoring our event. Together, let's support every female soccer player who dreams of playing at the next level!
