Tracey,

The property is zoned Multiple Use -5 which allows for a variety of uses including horses. So your request of 1 horse would be allowed.

Good morning. I'm part of the big data center project on midway rd and finally found a nice spot at 4829 Lavque bypass in casonis township

It is 18.6 acres I just want to know if I can have a horse there.

The land ite self is hilly nice for 1horse. Could you please let me know asap

By the way I watched you guys on the news. I myself see nothing wrong with signing NDA it's done quite offen and as long as the site they choose and the excellent job they did testing. And yes I was out with asking ng questions what to look for. I learned a lot

Thank you for reading my email I wait to hear from you

Tracy
