

# CLEANSE, HYDRATE, PROTECT, *go*

*Looking for on-the-go glow?*

This mini-ritual is a quick way to reveal a more radiant you.

# Boo SeBoo

*booster, serum, booster*

## STEP ONE SNOW ENZYME CLEANSER EX

Start your facial cleanse with the Snow Enzyme Cleanser.

## STEP THREE DERMATOLOGY SERUM EX

After the **Booster EX**, apply 4 to 5 drops of the **Serum EX** to nourish your skin with powerful actives.

## STEP TWO DERMATOLOGY BOOSTER EX

After thorough cleansing, spray the **Booster EX** to enrich your skin with intense hydration.

## STEP FOUR DERMATOLOGY BOOSTER EX

After applying the **Serum EX**, spray the **Booster EX** a second time for ultimate hydration.

## STEP FIVE ACTIVE CREAM EX

After *Boo-Se-Booing*, complete the regimen with this incredibly hydrating moisturizer. Apply a generous amount for the classic RIMAN glow!

## STEP SIX AQUA PROTECTION SUNSCREEN

Apply an even coverage of sunscreen to face, neck and body 30 minutes before exposure to keep that glow protected all day long.
