“There are many needs in the Jaibon Boy’s Orphanage but the greatest needs are food, clothing, and medicine.”

- ORPHANAGE CARE-GIVER -

This Year’s Fundraising Goal is:

\$50,000

All proceeds are given directly to the orphanage toward their operating expenses.

The Jaibon Boys Orphanage relies on this annual tournament to generate one third of their operating budget for the year. In 2019, with the help of many sponsors, donors, and golfers, we exceeded our goal and raised \$30,000 for these boys. Thank you to everyone who contributed!
