This guide offers a glimpse into how I work: my process, what to expect, and how I craft tailored journeys that reflect your pace, passions, and preferences.

My specialty is you. Let's begin the journey—together.

Planning Process

STEP 1: DISCOVERY CALL

We begin with a warm, in-depth conversation to uncover your travel desires, aesthetic preferences, and what you're truly craving from this journey. It's less a checklist—and more a soul-aligned starting point.

STEP 2: INVESTMENT

If we're a good fit, a planning fee secures your spot and grants access to my travel design process. From there, we'll move into crafting a proposal tailored to your unique vision.

STEP 3: ITINERARY DESIGN

From serene stays to meaningful moments, I'll thoughtfully curate an itinerary that reflects your pace, passions, and desired level of luxury. Every element is handpicked and emotionally attuned.

STEP 4: REFINEMENT

We'll review the draft itinerary together, refining the flow, adjusting experiences, and ensuring every detail feels right. This stage is collaborative, considered, and beautifully paced.

STEP 5: BOOKING & SUPPORT

Once you approve the design, I'll finalize all arrangements—handling logistics with care and offering ongoing support before and during your trip.

STEP 6: BON VOYAGE!

Before you depart, you'll receive a polished, easy-to-use itinerary and my signature pre-travel guide to ground and inspire. I'll be cheering you on as your journey begins—with presence, purpose, and peace.

FAQs

HOW DO WE WORK BEST TOGETHER?

Clarity and trust are key. Share your preferences openly, respond within 24–48 hours, and leave the heavy lifting to me. I'm here to guide every detail, start to finish.

CAN I CHANGE THE ITINERARY?

Yes—this is a collaborative process. I'll refine the itinerary until it feels like the perfect fit.

CAN YOU BOOK WITH MY POINTS OR MILES?

I can't book directly with points, but I'll guide you on how they may affect your itinerary and help align your plans accordingly.

WHAT HAPPENS IF I NEED TO CANCEL?

Cancellation policies vary by partner and will be clearly outlined in your proposal. I'll support you through any changes or cancellations with care.

If you have additional questions or simply want to talk through ideas, I'm just a message away. I'd love to help.
