IELTS TEST

The IELTS test is important for international students who would like to study in university without doing a preliminary English program. In February and March, our own Ms. Shiesta taught IELTS classes on Mondays and Fridays after school. This gave students the ability to improve their reading, speaking, writing, and listening skills. We hope our students achieve the highest IELTS marks possible!

TIA BOWLING and MANDARIN BUFFET

On Friday, March 7th, TIA embarked on a fun field trip that we have not done in years. It was the day before March Break, and to reward our students for their months of hard work, we took them to Mandarin - an all-you-can-eat buffet on the border of Mississauga and Oakville. Right after the lunch, we went bowling at Classic Bowl, which is in the same plaza. For many students, it was their first time bowling. We wished everyone the best for their March break

March Break:

From March 10th to March 14th, students and staff went on their well-deserved March Break. This is a time when students relax after months of achievement. University applications are rolling in, and the weather is getting warmer every day. We hope you relax, have fun, and enjoy the time off!
