What do I need to book?

The session fee is \$600 & is required to reserve a space on my calendar. The session fee can be paid in full or split into two payments of \$300. If the payment is split, the first half is due to reserve the session space on the calendar, the second half is due within 30 days of the first. Failure to complete the payment will result in forfeiture of the session space & a \$200 payment.

The session fee includes:

30-minute pre-session consultation

1-hour photoshoot at Salt Flats

Professional hair and makeup application for your shoot

Complete posing and expression coaching

3-4 wardrobe changes

Private in-person reveal & image ordering appointment

****ALL IMAGES ARE PURCHASED SEPARATELY FROM THE SESSION FEE
AT THE REVEAL & IMAGE ORDERING APPOINTMENT****

What Can I Expect to Spend At My Reveal/ Ordering Appointment?

On top of the \$600 session fee, my collections start at \$1100. But, before we have created your images, it's hard for me to give you an exact figure as to what to expect. Some women come to me & just get the basic album, others come to me & invest thousands on a variety of products. Please keep in mind that what you spend is up to you. You can purchase from my Collections Menu or the A La Carte Menu. Both menus will be sent to you immediately following the completion of your booking process. When you book your no-obligation phone consultation, I can give you a more detailed explanation of my pricing & minimum purchase requirements.

How Do I Pay For The Session Fee & Image Purchase?

Many of my clients utilize PayPal Credit to pay for their collection, & for those who don't qualify, I offer in-house payment plan options. You are, of course, always welcome to pay in full with cash/ credit/ debit cards.

Are You Ready To Chat More?

If you've made it this far & think that you're ready to take the next step, let's hop on the phone & chat. It is a free, no-obligation phone call where I can answer any questions you might have. I like to do this so that we can get to know each other a little bit. We will cover everything in this guide, full pricing information, outfit ideas & booking availability.

It should only take about 15-20 minutes of your time but it's very important to me that you are left with every answer you need in order to feel comfortable booking. I'm an open book so please don't hesitate to ask questions!

One thing that I have learned over the years & hundreds of sessions later, is that every client has a different dream or vision. With that being said, I really hope that you enjoyed this guide & I look forward to creating a boudoir shoot experience just for you. Thank you for trusting me with your most vulnerable & monumental memories!
