IMPORTANT EXHIBITOR INFORMATION ADDITIONAL RULES INCLUDED IN PREMIUM LIST - READ IT.

There is no acceptable excuse for breaking or being unfamiliar with the rules.

TRANSFER OF ENTRIES

NOTE: TRANSFER OF ENTRIES AND REQUESTS FOR REFUNDS FOR PUBLISHED JUDGE CHANGES WILL NOT BE ACCEPTED IN THE OFFICE AFTER 12:00 NOON ON MONDAY, OCTOBER 20. AFTER THIS TIME, YOU MUST CONTACT THE SUPERINTENDENT ON SITE.

CONFORMATION: Dogs may be transferred from one of the regular classes to the Best of Breed or Variety competition, provided this transfer is presented to the Superintendent at least one half-hour prior to the scheduled start of any regular conformation judging at the show.

JUNIOR SHOWMANSHIP: Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent prior to the start of the class at the show. Correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer must be made to the Superintendent prior to the judging of the class at the show.

OBEDIENCE OR RALLY: A transfer (i.e., from an obedience class to an obedience class; or a rally class to a rally class) may be requested if, according to the owner's records the handler and dog are eligible provided the club offers transfers. Transfers from an "A" to "B" class at the same level are allowed provided the host club allows transfers. The request for a transfer must be in writing and presented to the Superintendent or Trial Secretary at least 30 minutes prior to the start of each trial. Clubs may choose to accept transfers prior to the day of the trial and this should be clearly stated in the premium list. Transfers may be approved provided the class and judge are available, and the class has not reached its limit. For Bitches in Season, refer to General Rules in Premium List.

* \$55 Cystinuria DNA (regular \$65)

* \$50 Cystinuria Urine (regular \$55)

* \$40 AKC DNA Profile (regular \$50)

<https://www.akc.org/breeder-programs/dna/dna-resource-center/dna-profile-program/>

*\$70 Orivet French Bulldog DNA Panel for FBDCA Members:

Non-members \$83.30 (regular \$129)

\$30 AKC Reunite Microchips (Lifetime registration)

<https://www.akcreunite.org>

Cystinuria (Type 3) Testing DNA and Urine Nitroprusside Tests

We will have sample collection material at the show but you MUST log on the UPenn, to enter your dog and order your test(s) and PRINT your paperwork before you come as it must be included with your sample(s). Cost: \$55 DNA (\$65 regular) \$50 Urine Nitroprusside (\$55 regular). You will receive an email when your sample is completed and an invoice to pay. After your payment is processed they email your results. Discount Code: "FBDC2025" is valid for ALL samples received in the month of October, if you would like to submit samples from home.

Log on or create account:

<https://netapps.vet.upenn.edu/PennGen/SampleTesting/Account/Login.aspx>

1. Complete/Update Owner Information
2. Add/Update Dogs Information (upper right corner)
3. Select/highlight (the right side of the screen) the dog you want to create a test for then click the "Create Submission" button (bottom left). In the Comment box, put the discount code: FBDC2025 and well as any other pertinent information.
4. Use the "Test Type" drop down to select the test, note only one test can be added at a time and the discount price will not be reflected until you receive your invoice.
5. Create Submission and Proceed to Sending Instructions
6. You will print this page and bring it with you to the clinic, sending a pedigree is helpful to UPenn but not required (repeat steps 3-5 if you are doing more than one test) Orivet Genetic Pet Care is a leading genetic testing organization offering an extensive range of genetic services to Breeders, Veterinarians and Pet Owners worldwide. Orivet has developed internationally recognized protocols and programs for member bodies, breed clubs and associations. They are a well established DNA lab in Australia and New Zealand that is now promoting their USA Lab. They are an OFA approved lab for results. The breed profile includes CMR, PRA and DM (plus others) as well as traits such as coat length. Club members will have to choose the club from their accounts to get the discount, French Bull Dog Club of America. You will be asked for a membership number, but in its place you can just pop in your email or phone number. The breed panel normal price is \$129.99 they are offering the panel for club members for \$70 and \$83.30 for nonmembers. NOTE At the time of premium printing the panel includes: Cystinuria Variant type 2/3, It is recommended that Cystinuria type 3 is tested at UPenn for the most accurate results. They are also offering DNA profile reports for \$30. This does NOT replace/substitute the AKC DNA Profile but may give you an option for faster results than AKC.

OFA Reporting:

The results are not automatically reported to OFA. When the report is ready, each person can elect to submit their results to OFA and would need to send payment directly to them along with the test results. Using the OFA DNA form. OFA has moved to an online system that is very quick and easy to use. You will select DNA Based Genetic Disease, and follow the prompts <https://ofa.org/applications/>

To facilitate the submission of results to the OFA, they have a summary report for results on one page. Once you print your report or generate a .pdf file of the report that includes only the selected test result(s) you would like reported to OFA.

You will submit the OFA submission form, the results, and your payment for recording with the OFA. Be sure to list the names of only the tests you want recorded on the form.

If you have any questions, please feel free to contact me directly.
