# FAQ

---

**Q: How many hours do I need?**

A: Generally speaking, 8 hours is standard – 4 hours before the ceremony and 4 hours after. This allows us to capture every part of your day – from getting ready and first looks to first dances and cake cutting. However not all weddings fit the standard mold. Some other things to consider when picking times are:

- If your ceremony and reception are in separate locations and you want getting ready coverage through at least an hour of dance floor coverage, 10 hours will likely be your best bet. Traveling takes time.
- If you are having a more intimate day, doing everything in one location or don't need lots of getting ready and/or dance floor photos, then 6 hours might be the best for you!

Each wedding is different, so if you're still unsure or have a unique timeline, let's chat about it! You can always add more hours once your timeline is finalized as well.

**Q: How many photographers will there be at our wedding?**

A: Other than the Petit package, all of our packages come with two photographers to capture every detail of your wedding day.

**Q: Do we need a second photographer?**

A: I always recommend a second shooter for so many reasons – extra creative eyes, more candid moments for you, different viewpoints – they just tend to make the day run more smoothly.

**Q: Do you offer videography as well?**

A: Though I focus exclusively on photography, I've got a network of amazing videographers I trust. I'd love to recommend a few to you who would be a great fit for your wedding. Feel free to ask, and I'll share my top picks!

# MORE QUESTIONS:

---

Q: How do we reserve our wedding date?

A: A 30% deposit & signed contract is required to secure your wedding on our calendar. The remainder of your balance is due two weeks prior to your wedding. There are multiple payment plans offered.

Q: How many images are included?

A: Each wedding is unique, so it's impossible to give an exact number. As a general rule, you can expect 40-80 images per hour that I'm shooting. These are your memories, I promise to capture them fully and give you more than enough images to remember this time in your lives.

Q: Will you Photoshop my images to hide any unwanted acne/stains, etc?

A: Yes! My goal is to make you look your best. Minor edits will be made to all of your images, but extensive/specific edits will be charged separately.

Q: What is your turnaround time?

A: I assure my clients a sneak peak gallery within 1-7 days of the wedding and full gallery delivery within 6-10 weeks. I try to get photos back to you as soon as possible while making sure each image maintains top quality.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: Do you photograph destination weddings?

A: Yes! I've am more than happy to create a custom package to suit your travel needs. If you're traveling and want me to come with, please let me know so we can talk more in detail!

# WHAT TO EXPECT:

---

## Working with Me

I try to make this process as simple as easy as possible! Once a contract + deposit is finalized, I'll send you a questionnaire so I can get to know a bit more about you! We'll hop on a call and chit chat (I'm curious by nature) and talk through general details of your day. I'll touch base a month, two weeks, and one week before the wedding to make sure are plans are finalized and we're a go for wedding day!!

## Planning

Planning a stress-free wedding day is just as important as capturing it! I'll help you organize the timeline, offer tips for ideal photo moments, and coordinate with vendors to ensure everything runs smoothly. Together, we'll make your day flow effortlessly and beautifully.

## Payment

A 30% non-refundable deposit is required in order to secure your date. The remaining 70% of your balance is due two weeks prior to your session. This does not need to be paid all at once if that's a concern, talk to me about the different payment plans available - I'm flexible! I never want payment to be the reason we can't work together.

## Scheduling

Expect a smooth and organized scheduling process. I'll handle all communication to ensure we're on the same page with timing, arrival details, and specific moments you'd like captured. Clear expectations and flexibility ensure everything runs effortlessly on your special day.
