

Cancellation, Payment & Membership Policy

Registration & Payment

- Your registration is only considered confirmed once payment has been received through approved payment methods.
- **Payment is required to reserve your spot.**
If you are registered for a class but have not yet paid, your spot is **not guaranteed** and may be released if the class is nearing capacity to allow space for participants who have paid.

Class Cancellation Policy (Drop-Ins & Class Packs)

- You must cancel your class **at least 12 hours before class start time** to retain your class credit.
- If you cancel **before the 12-hour cutoff**, your class credit will be returned to your account and may be used to book any future class, subject to availability.
- If you cancel **within 12 hours of class start time** or do not attend, the class is considered used and **no credit will be returned**, regardless of whether payment was made as a drop-in or through a class pack.

No-Show Policy

- Failure to attend a registered class without canceling prior to the 12-hour window is considered a no-show and results in forfeiture of that class credit.
- Repeated no-shows may result in restricted booking privileges at FULL OUT Movement's discretion.

Monthly Membership Policy

- Monthly memberships are billed automatically on a recurring basis, the 1st of each month.
- To cancel your membership for the following month, you must provide **at least 72 hours' notice before your next billing date**.
- If you cancel after a new billing cycle has begun, there are **no refunds for that month**, and your membership will remain active through the end of the paid period.
- You may continue attending classes until the end of your current billing cycle after cancellation.
- If you begin a monthly membership in the middle of a month, your first payment may be prorated at FULL OUT Movement's discretion. All future billing cycles will be charged at the full monthly rate.
- **Memberships do not guarantee a spot in any specific class.** Advance registration is still required, and all classes are subject to capacity limits.

Promotional / Locked-In Rates

- **Special or promotional membership rates** remain valid **only while your membership remains active and uninterrupted**.
- If you cancel, pause, or allow your membership to lapse for any reason, you must rejoin at the **current standard monthly rate**.
- **Special or promotional class pack rates** are valid only during the specific promotional period and apply to **that single purchase only**.
