A little More Info

Is the mini session right for you?

I've had mini session days for families, couples, and individuals who want a quick photo shoot for their Christmas card but I've never offered one in the summer for seniors. As I was trying to better serve my seniors, I realized not everyone wants a full blown session so the senior mini session day was born. Now, this is definitely not for everyone. If you want to include multiple outfits or a specific location, I would suggest the Silver or Gold Collection.

If your senior takes a bit to warm up to the camera, this may not be for you. With only **15 minutes**, you have to come ready with a great attitude to accomplish your session and know that you may not get every angle or have a bunch of images to choose from within your gallery. It's short and sweet!

Please note: Mini session days will take place on **June 22nd, 2026 and August 31st, 2026**. The location will have a **natural backdrop**. Clients will be notified of the exact location closer to the session.

What's within the Silver & Gold Senior Guide?

I want your session to be the best it can be! I've worked hard to fill this guide with knowledge I've gained over the years and design it so it's easy and practical for you. Within the guide, you'll find wardrobe tips, a checklist so you won't forget anything, FAQs, communication guidelines, and more!

Emily was so down to earth and professional! My daughter is very picky about what she wants and Emily took all her ideas and ran with them. She found unique places to take pictures and captured my daughter and her personality PERFECTLY!! She was also SUPER quick to get our pictures to us and they are gorgeous!!! We had a lot of fun and would highly recommend Emily to anyone!

Emily was an amazing photographer, as well as a person! She had great options for my senior photos, like locations, poses, color combinations with the backgrounds and so much more! I was nervous I wouldn't know what to expect but she was so comfortable to converse with! Emily's personality made me giggle the whole time! I would 110% recommend! Great photos, great person and an even greater outcome! :)))

I couldn't be more happy with the way our son's senior photos turned out! Emily made the whole process, from start to finish, so easy and stress free. I loved that she came to our home and captured photos around the house and then drove to the baseball field to finish the session there. Thank you, Emily!
