

PRIVATE SURF / SUP TOURS

Join the exclusive PRIVATE TOUR extravaganza and embark on an unforgettable day in Port Stephens. Your adventure begins at 9:00am when you are whisked away from your accommodation by Luke, your tour guru, who will chauffeur you around the scenic area. Start your morning with a delightful tea at a charming local cafe before diving into some surf or stand-up paddleboarding action. After working up an appetite, refuel with a scrumptious lunch at a nearby restaurant. Capture the highlights of your day with plenty of photo opportunities before heading back into the waves for more fun. Continue your exploration of Port Stephens with another exciting adventure and then unwind with a refreshing drink at the Little Beach Boathouse. You'll roll back to your accommodation around 5:00pm, and as a special treat, you'll receive \$100.00 worth of cool PSSS Merch for free!

For more information, pricing and to book your tour, email our team:
