Ring in the New Year with a Young Rembrandts class for your elementary student. Our budding artists will have the opportunity to flex their creative muscle as they take on fun, artistic challenges like our Jack Russell Terrier lesson and Martin Luther King Jr portrait in the month of

January. The month of February brings a lot of fun and culture into the classroom as our students' imaginations are whisked away to a masquerade or into the mind of master artist Romero Britto. And in the month of March, get ready for some dinosaur-sized excitement as your elementary student recreates the ferocious T-Rex Young Rembrandts style! These lessons are sure to warm you up. So what are you waiting for? Sign up now!
