Last Updated: 11/24/2025

Restaurant Rescue LLC (“we,” “our,” or “us”) is committed to ensuring that our website is accessible to all users, including individuals with disabilities. We believe every visitor should be able to access our information, services, and online tools without barriers.

Our Commitment to Accessibility

We are actively working to improve the accessibility and usability of our website and follow relevant accessibility standards, including:

Web Content Accessibility Guidelines (WCAG) 2.1 Level AA

Americans with Disabilities Act (ADA) recommendations for digital accessibility

Our ongoing efforts aim to make our website as inclusive as possible.

Accessibility Features on Our Website

To support accessibility, we strive to ensure that:

Text is readable and has sufficient contrast

Images include descriptive alternative text

Navigation is clear and consistent

Forms are accessible and labeled properly

The website is compatible with standard screen readers

Pages can be navigated using a keyboard

Videos (if added) include captions or transcripts

Links, buttons, and interactive elements are easy to understand

Ongoing Improvements

We regularly review our website and update content, code, and design elements to improve accessibility. Our accessibility efforts are ongoing as technology, guidelines, and best practices evolve.

If you encounter any accessibility issues, we encourage you to let us know so we can address them promptly.

Third-Party Integrations

Our website may include third-party tools (such as maps, payment processors, social media links, or embedded content). While we strive to ensure accessibility wherever possible, we cannot control or guarantee the compliance of external providers.
