MEET LEVI & VICTORIA, THE MARRIED DUO BEHIND WILDER HEART CO

We are high school sweethearts, now loving our married life together. One of our favourite things to do together is **explore**. Sometimes that means venturing across the globe, other times that means going on an adventure in our own backyard. Aside from our nomadic adventures, we also live **real lives**. Much of our time is spent using our creative abilities, hanging out with people we love, or watching Schitt's Creek.

Victoria's love of photography has been constant throughout her life, and Levi has come alongside and learned over the past years. We are known to make people feel **comfortable** in front of the camera, even if the only images they have together are selfies. Our photo sessions are **fun, romantic &** capture **emotions** in a way words can't describe

our WHY.

WE EXIST TO PROVIDE SERVICES
TO PEOPLE, BUT IN A WAY THAT
IS MORE THAN A TRANSACTION.
HERE IS OUR MANIFESTO, THE
THINGS WE CELEBRATE WITH
OUR PHOTOGRAPHY

- + there is beauty
in the MUNDANE
- + \$ spent on travel is
never wasted
- + the ordinary moments
deserve to be celebrated
- + PHOTOGRAPHY should feel
authentic, and true to who
you really are
- + We are all creative
and drawn to beauty
- + adventure can be
found right
where you are

*don't
forget
this.*

Life passes so quickly. We believe in celebrating every season, the big moments and the simple ones. We are so thankful for our phones because they give us the ability to snap photos everyday. Sometimes we need something more to capture the emotions, or to simply have fun and celebrate right where we are.

faq

you've got the questions and we have all the answers. If you have a question that's not on here, scroll to the end to contact us

Q: How will I receive my images?

A: All images are delivered through our online gallery service in high-quality JPG format, ready for Instagram or Printing

Q: How long are the sessions?

A: Block off two hours for our session. Depending on location, time of day & type of shoot, we will sometimes be able to wrap up after an hour, but it's always good to leave extra time

Q: Will there be two photographers at my session?

A: We try to work as much as possible together, but some days only one of us is available! You will receive the same amount of images either way

Q: Do you charge a travel fee?

A: If you are within Salmon Arm, Vernon or Kelowna, there is no travel fee. Chat with us if you are somewhere else!
