SOPHLE LIN BERARD ALE VIDAL

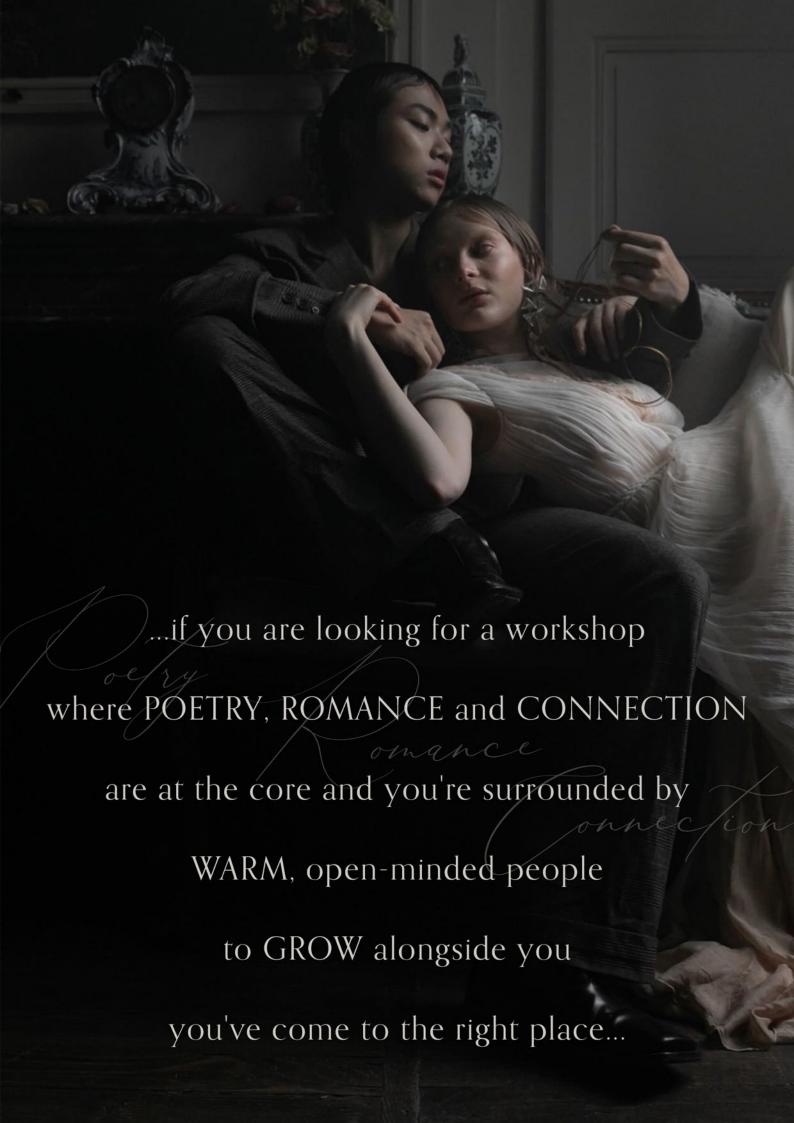

DANIEL MURTAGH

LEGACY

OCTOBER 22-26 created by MUSE & MIRROR

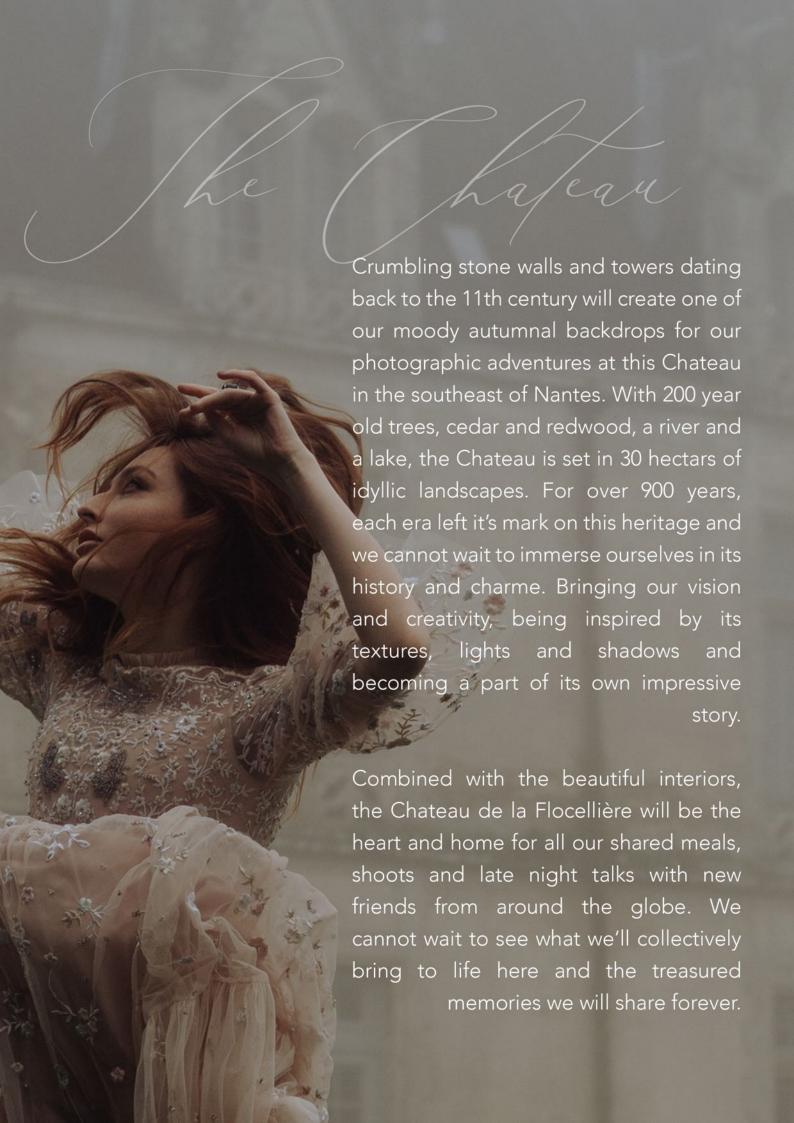

"Legacy Workshop is something you cannot tell, you can only live, immerse yourself in its magic and leave the whole world outside. A unique, magical, mystical experience, a journey with special people, a hug from which you would never want to leave."

- Francesca Angrisano

THE EXPERIENCE WHAT IT'S ALL ABOUT

CREATIVITY & INSPIRATION

dive into a unique, mystical dreamworld to fuel and refine your artistic vision in a safe, playful and supportive environment.

EXCLUSIVE CASTLE BACKDROP

shoot, learn and immerse yourself in the breathtaking surroundings of the Chateau de la Flocellière near Nantes, France.

REFINED Portfolio shoots

Romance and ethereal settings are at the core of our passionate team's vision. You will get to photograph unique sets each day in small groups of only up to 6 people with 30-45 minute sessions per group to make sure you get to create something unique and leave with new portfolio favorites!

WARM HEARTED COMMUNITY

join an intimate group of international photographers who are eager to learn, grow and connect. From beginners to veterans, taking the first steps or needing to reignite the passion after a full season - you've come to the right place.

EXPERT BUSINESS INSIGHTS

learn from established photographers and creators from different genres to widen your horizon and take the next steps in your business.

ORGANIC Networking

connect with amazing vendors, models and photographers from around the globe. Who knows, you might join someone as a second shooter or create your very own creative session together

SHARED MEALS & COMMUNITY TIME

shared stories next to the fireplace, a warm coffee in the morning, that's where we get to intimately connect. Full vegetarian catering & non-alcoholic beverages are included - so just relax and enjoy.

DANIEL MURTAGH

THE MENTORS

created by MUSE & MIRROR

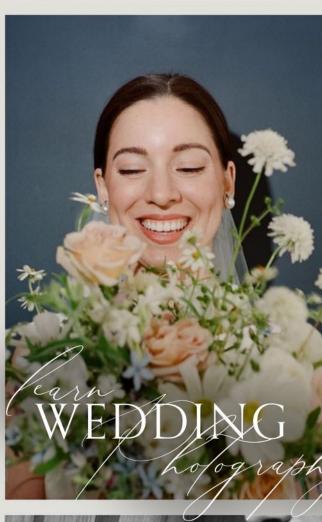

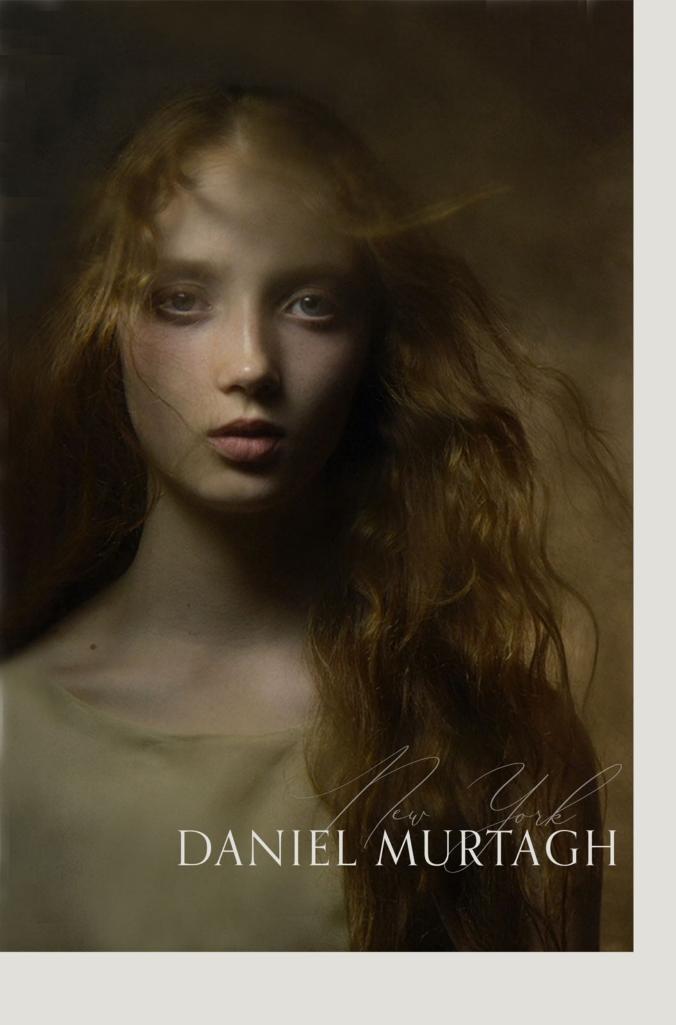

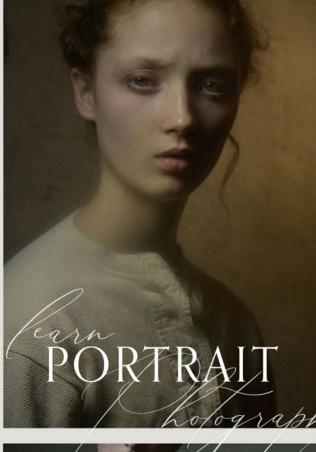

Daniel Murtagh has been working as a portrait photographer since 1995. Upon graduating from Pratt Institute he moved to New Mexico and later to San Francisco, where he spent the next six years defining a style of work that continues to evolve.

He has worked on assignments for magazines such as Soma, San Francisco, Health, Splash, Men's Health, and Hippocrates, and his work has appeared in Elle, Shots, American Photographer and Photo Icon. His images have appeared on over 80 book covers.

In 2000 he returned to his native New York. In 2013 Daniel exhibited in the Month of Photography show in Denver Co. and was on board as one of its curators in Denver in 2015 as well as exhibitor the event. More recently exhibited in a solo show at the Wild Project Gallery in New York and is currently represented by Cabinet des Curieux Gallery in Paris.

romantic.

Winning the prestigious Hasselblad Masters, Rangefinder

Grand Prize, Fearless Awards and other accolades with

their photography, they are quickly recognizable for their

style which is often described as ethereal, mystical and

What I love about creating here is that you can really just..have fun! It reminded me of something I knew deep inside, that I should keep making art for myself, that I need to really.

Beccy/Belle Art

"I was incredibly grateful for the opportunity to shoot at LEGACY for my first, real photography experience. It was life-changing, inspiring, and allowed me to envision what kind of artist I am and who I want to grow into."

- Anne Taylor Studio

Hannah and Cassie Antmann are twin sisters from England. Hannah is better known under the name SAINT FLORAL and is one of the most extraordinary florists you will ever find. With a background in Fine Art, Hannah brings a distinctively romantic, ethereal and painterly aesthetic to her floral designs.

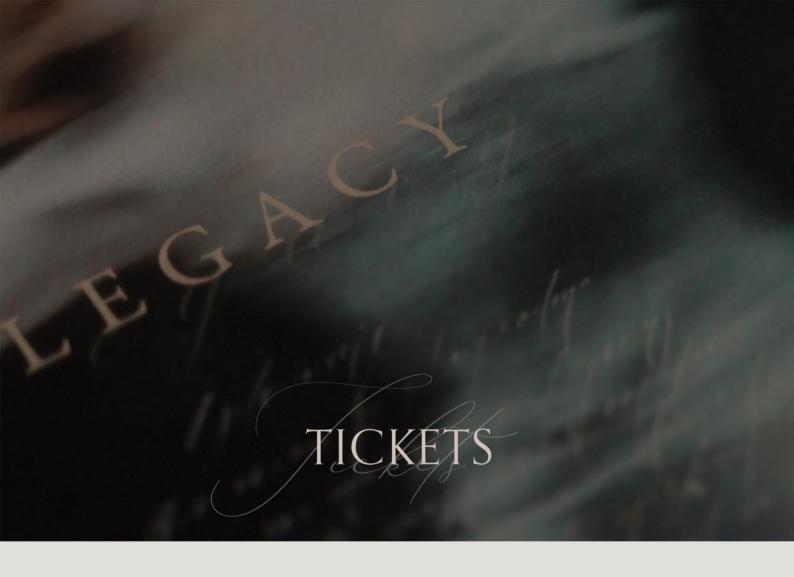

Cassie is a Make-Up and Hairstylist working in fashion and film. With a love for everything whimsical and vintage, her engagements also include period shows like BRIDGERTON.
