THE WEDDING COLLECTION GUIDE PRODUCED BY CHRISTIE HARTSHORNE.
A LOOK INTO YOUR WEDDING PHOTOGRAPHY EXPERIENCE AND HOW
YOUR LOVE STORY IS ENCAPSULATED WITH STORY TELLING AT HEART.

HELLO YOU

Hi there! Congrats on your engagement!

You're probably overwhelmed with all the wedding information out there, but don't worry, you're not alone. I am here to hopefully help make your lives a little easier during a time that is often unnecessarily stressful for a lot of couples. It doesn't have to be this way!

It is my mission to make the photography process smooth, stress-free, and most of all, FUN! I take your vision and make it come to life. I take care of the photos so you can concentrate on all the exciting stuff that accompanies this time of your life.

Based out of Norwich, I work with brides all over UK!

HOW I SHOOT WEDDINGS

When it comes to being organised, I'm a classic over-preparer! But what about your photos though?

Throughout the entirety of your day, I will be personable and professional. From ensuring to capturing the shot to cracking a terrible dad joke, I've got you covered!

For the most part, Weddings are full of emotion, I mean FULL of it! This is why I like to work more towards the candid and documentary style! Emotion can't be forced, so why should it?

Of course, although I work mainly candid, there are times when I will ask you if you could stand in a particular spot for lighting purposes (when creativity hits, it hits!), this is mainly during the prep stages and the couples portraits, for the ceremony stage, you can forget I'm there! BUT, you've guessed it, I'll still capture amazing memories for you to keep for ever and ever.

Don't even get me started on the reception! You can BET that I will be up amongst it! I have even been called out by a DJ for having a bop on the dance floor with the camera in hand!

Whether you picture a laid back wedding on the beach or a black tie affair, I LOVE to capture love stories, ESPECIALLY YOURS!

THE EXPERIENCE

one

CONSULTATION

I absolutely LOVE to meet my couples! I understand where travel and/or schedules can be tricky to navigate, so I will make it nice and simple! We can, **Z**oom Call, **F**acetime, meet for a **C**offee, or even a **P**int! Either way, lets get to know a little about each other, and most importantly, talk about your *photography goals*!

two

PRE WEDDING SHOOT

Iff you have opted for an Engagement Shoot / Pre-Wedding Shoot, I want this to be special to YOU! This is why when we have our pre-wedding meeting, I want to know all about you, how you met, your interests! I once took a rock ‘n’ roll couple to an American Diner for their pre wedding shoot, and guess what, THEY LOVED IT!

three

YOUR WEDDING DAY

Here we are, your Wedding! I like to make you feel as comfortable as possible, I have even been referred to as an extra Bridesmaid because

Im more than happy to help with anything needed when Im there! When we chat, Im all ears to the feel that **YOU** want! (its your wedding, after all!)
