Capturing authentic & genuine moments.

Hey There!

SO HAPPY YOU ARE HERE!

In this guide you'll find a little bit about me and what I have to offer!

I believe that photography has the power to transform lives and bring people together, and I am excited to continue sharing my passion with the world. Whether I'm capturing a beautiful portraits or a precious moment between loved ones, I strive to create images that inspire and uplift others.

Capturing a special moment in photography is like freezing time. It allows us to relive and cherish that moment for years to come. Whether it's a joyful smile or a tender embrace, a photograph has the power to evoke emotions and memories that can last a lifetime.

*It's not just an investment,
it's a memory that will last forever.*

HI I'M ALEX!

*I'm Alex Marie, an Arizona-based photographer
who's obsessed with genuine moments & raw
emotion.*

I specialize in creamy, clean, joyful, and timeless photography, capturing beautiful weddings, and dreamy couples. When I'm not laughing with couples & capturing their story, I'm probably enjoying an iced tea or cuddling with my pup. I'm a lover of trying new food, and doing something spontaneous! My faith has always been a guiding force in my life, and it has inspired me to use my photography to spread love, kindness, and positivity in the world. My goal for your big day is to capture your moments just as they unfold. Beautifully, organically, & full of emotion!

Your business is a blessing. Thank you for considering me to capture such a special milestone in your life. I hope to be apart of your story!!
