

Camper FAQs!

What's sleeping in a tent like?

It's so much fun! It's like having a sleepover every night. You should definitely get to camp early to claim your bunk

Are there a lot of mosquitos?

Before all of our campers arrive for the summer we get a special bug spray and spray around the tents so that the mosquitos stay away for a little while.

How can I keep In touch with my family?

The old fashioned way, letters! You and your family can exchange letters through the mail! Every morning we drop off and pick up the mail at the post office. Your family can also send you BunkNotes. BunkNotes are basically emails that your family sends that we print out and give to you! Mail is usually distributed during Rest Hour.

What Unit will I be In?

Double check with your parents and when you arrive at camp but here are our units:

- Colony - 7 to 9 year old boys, their unit color is Blue
- Woodlands - 7 to 9 year old girls, their unit color is Pink
- Reservation - 10 and 11 year old boys, their unit color is Red
- Highlands - 10 and 11 year old girls, their unit color is Yellow
- Frontier - 12 and 13 year old boys, their unit color is Green
- Winds - 12 and 13 year old girls, their unit color is Purple

Pioneer Village (PV) - 14 to 16 year old campers.
