

# THE UNHUSTLE MANIFESTO

## WE BELIEVE

1. In real living.
2. Worthiness is not measured by to-do lists.
3. In doing less in a world addicted to busyness.
4. Being true to our superpowers for soul-aligned success.
5. In life-work harmony over work-life balance.
6. Flow is better than hustle.
7. In face-to-face convos.
8. Rest is the secret to real success.
9. In gratitude and presence.
10. Play is not just for kids.
11. Comparison is futile.
12. JOMO > FOMO.
13. Creativity rules the world.
14. Nature heals and wins over Instagram.
15. Slow and steady leads to health and happiness.
16. Progress over perfection.
17. In experiences over stuff.
18. In making a difference instead of seeking significance.
19. In doing what's right for the planet.
20. Being human is awesome.
