

HOW-TO INSTRUCTIONS

BURRITO HANDLING

STORAGE

- 1 Keep all product in freezer until ready to thaw.
- 2 Frozen shelf life, based on the production date printed on the case, is 9 months for breakfast items and 12 months for all other products.
- 3 Rotate your product so the first product in is the first product pulled out.

THAWING AND DATE CODING

- 1 Thaw product by either placing whole case or desired number of products in refrigerator for **24 hours**.
- 2 Code date when removing product from freezer and price if necessary.
- 3 Once product has thawed in refrigerator for 24 hours, product may be moved to display cases.

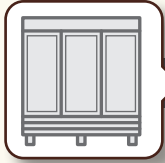

SHELF LIFE

San Luis® Lunch Burrito Products	30-day refrigerated shelf life after thawing
San Luis® Breakfast Burrito Products	14-day refrigerated shelf life after thawing

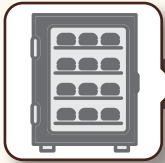

SANDWICH DISPLAY TRAYS

- 1 The single San Luis tray is perforated for an easy and adjustable display and is added to the refrigerator cooler in seconds.
- 2 The San Luis tray inserts can be added to any trays in seconds. Peel off the tape on the bottom of each of the inserts, adjust to ensure fit and stick.

REFRIGERATED MERCHANDISING

- 1 Make sure cooler temperature is **35 - 40°F**.
- 2 Move all existing product to front of display. Check and remove all expired product.
- 3 Fill all gaps in back with newly thawed product. Make sure each facing is **at least** four items deep.
- 4 Front and straighten all products in displays at least twice per day.

PREPARATION, MICROWAVE AND MERCHANDISING

- 1 Turn on Wisco Warmer and set dial to **4**. Food safety: Unit must be set to **4** to maintain internal product temperature of $\geq 140^{\circ}\text{F}$ (reference MN Food Code 4626-0360).
- 2 Allow warmer to preheat for 30 minutes without product.
- 3 Microwave 3 items at once based on the time chart below. Product can be microwaved in packaging bottom side up for venting.
- 4 Using sanitized temperature probe, check internal temperature of the product. Food safety: Internal Temperature must be $\geq 165^{\circ}\text{F}$ (reference Federal Food Code 3-403.11(A)).
- 5 On back label, mark when product is to be removed from the warmer if not sold.
- 6 Maximum time in warmer for all items is **2 hours**.
- 7 Regularly check warmer to ensure guidelines are being met.

HEATING 3 PRODUCTS AT A TIME

4:00 Minutes	San Luis® Burritos
--------------	--------------------

Remember to check the internal temperature of all product. Cook times vary depending on specific product and microwave wattage.

For individual product cook times, please read the package label.
