Section 2 (Solutions categories - broad)

We'll sweat the small stuff so you don't have to.

No more accounting headaches. Optimize your financial procedures with plans catered to your business.

Bookkeeping

Whether playing catch-up or preventing it, there's no room for error. Confidently propel your company forward with the right systems and a personalized plan.

Tax

Eliminate the tax season dread with year-round support. We'll help you prevent unexpected penalties and minimize your tax liability, saving you 10-15% on taxes.

Back-Office Support

Trust us to support your customers & vendors with on-time invoicing. We'll even tackle unexpected projects so you can stay focused on what matters most in your business.

Section 3 (Let's Ledger intro + benefits)

In business accounting, we put *people* first.

As our client, you'll receive thoughtfully crafted accounting solutions that drive your company's profitability. Let's Ledger combines accounting expertise in cloud-based solutions, data integration, and most importantly—customer relationships.

Here's what you'll get with Let's Ledger:

- ✓ **Proactive Accounting Strategy**
We address problems before they start and help you plan for tax season, loan applications, and investor relations.
- ✓ **Clear and Timely Communication**
We'll set up your company's Slack channel for quick & transparent communication with 1 business day turnarounds.
- ✓ **Year-Round Performance Reporting**
Know what's happening in your business to increase revenue and reduce expenses, all year long.
- ✓ **Full Service Team**
Have a Bookkeeper, Tax Pro, & Controller on your side to reduce stress and plan for tax liability.

Section 4 (Testimonials)

Hear it from our clients...

"The Let's Ledger team has allowed our executive team to focus attention on business growth, while we leave the accounting to them." *Alamin Uddin, CEO/NEXHEALTH*

"Let's Ledger's proactive approach to solving accounting problems is what sets them apart." *Ayaz Baron, CFO/Upfluence*

Section 5 (Process overview)

LET'S DO IT

Section 7 (Tax details)

No-Surprise Tax Seasons

Save money and meet those scary deadlines with ease through our year-round tax strategy. Personal tax prep & filing is also included in your plan!

Reduce Tax Liability

Rest assured that hefty tax liability won't be on your mind. With expert tax monitoring throughout the year, quarterly or monthly monitoring allows you to stay ahead of future payments.

Accurate Returns

We swiftly prepare all business returns, including 1120 Corporation, 1120S S-Corporations, & 1065 Partnership Returns. Our added peer reviews ensure accurate filings with solutions for investments, real-estate, and multi-state returns.

Accessible Support

Flexible meeting times are available outside of regular business hours, and we're here for all your tax questions along the way.

Section 8 (Sales tax)

Navigate Sales Tax, Worry-Free

Stay compliant and avoid penalties with continuous nexus monitoring for easy collection, registration, and filing.

Nexus Study

Your nexus study is included with your tax plan, whereas other accounting firms may charge you thousands of dollars. Gain peace of mind knowing you're compliant with the ever-changing sales tax landscape.

Sales Tax Registration

We'll supply the right documentation on your company's behalf to handle your state sales tax license registration start to finish.

Ongoing Monitoring

Maintain proper tax etiquette with ongoing monitoring from leading tax tools. Let's Ledger is ready to handle any changes that impact your business.
