Welcome!

Hey there, I'm Riley Jean and I am SO freaking glad you're here and I am so excited to get to know you! I specialize in capturing you and your love in your element, being your genuine selves. At the heart of what I do is the desire to keep things REAL. Real colors, real moments, real laughs. What will mean the most to you down the line is emotional, memory preserving photographs in true life color. From our first chat to when you're seeing your photos come to life, I am there for you every step of the way! LET'S DO THIS!

Not just photographs, an experience! Whether you want to grab a pizza and re-create your first date, frolick under magical coastal fog, or hang with coffee at an art gallery, I'm your photographer! I'm not just capturing moments, I'm capturing how your love story FEELS. From the smallest detail to the biggest moment, every piece of your story is important, and documenting your life matters.

FAQ

WHAT ARE THESE SESSIONS FOR?

These sessions are for any couple!! Whether you're engaged, celebrating an anniversary, or just want updated photos as a couple, these 1-2 hour sessions are perfect for you! Or even if you're looking to propose....book a "couples session" and make it a surprise, and you'll get the best photos!

HOW MANY IMAGES WILL WE GET?

On average, you'll get about 100 digital images per hour of coverage, and if you choose film, most rolls will produce around 30-36 shots per roll.

WHAT SHOULD WE WEAR?

Bottom line? Wear something that feels like YOU. Wear outfits that match your vibe and personalities, that make you feel good, that make sense for your location and aesthetic, and that don't hurt to wear or make you feel uncomfortable! But if you'd like some outfit inspo, I have some great Pinterest boards with all kinds of vibes that I can send you to help you choose!

WHAT HAPPENS IF THE WEATHER IS BAD?

If you're from the PNW, you know how the weather is here; always unpredictable. So I'm down to roll with pretty much anything, even rain! I have clear umbrellas that add a fun piece to any rain session, and I'm totally down to get soaking wet and make some art! If the weather or travel is deemed too dangerous by all of us to continue with the shoot, I will immediately let you know and send a list of dates to which we can reschedule!

Thank You SO Much!

I can't even tell you what it means to me that when you look at my work, you can see your memories being captured by me. I am so excited to be a part of your love story, and to create art for you to cherish forever!

NEXT STEPS:

- After looking over the pricing, all I need is a **YES WE'RE READY** in my inbox to get the ball rolling!
- I'll send you a contract and invoice you can pay digitally to get you booked (unless otherwise communicated this must be paid in 24 hours to save your spot!!) Your deposit will be either 25% or 50% of your total cost depending on your package, with your final payment due 1 week before your session date.
- Once your deposit is paid I'm officially your photographer!

Chat soon cuties!
