

Production Team Leader

Part-Time | 15 hrs/week

At Soma City, our dream is simple: to be the best friend our city has ever known. Every Sunday, we get the privilege of creating moments where people can encounter Jesus in ways that are real, alive, and personal. Our Production Team Leader plays a huge role in making that happen.

The Role

As Production Team Leader, you'll partner with our Service Programming Director to craft high-quality, distraction-free worship experiences that help people connect with Jesus. You'll lead the behind-the-scenes storyteller teams that oversee sound, lighting, video, and livestream.

What We're Looking For

- Someone who loves Jesus and prioritizes their relationship with Him above everything else.
- A leader who thrives on developing others, not just doing the work themselves.
- A problem-solver who isn't afraid of cables, soundboards, or troubleshooting a stubborn livestream.
- A team player who leans into Soma City's vision.
- Someone committed to making things better week after week.
