

The background image shows a vast desert landscape. In the foreground, there are rolling sand dunes. In the middle ground, a camp of several white, dome-shaped tents is set up on a flat, sandy area. Behind the camp, there are large, rugged rock formations, including a prominent, tall, dark rock spire on the left. The sky is a clear, warm orange-gold color, suggesting a sunset or sunrise. The overall scene is serene and evokes a sense of a remote, traditional desert settlement.

## WELCOME TO NEAR+**FAR**

From trusted luxury travel editor and authority, and the Academy Chair Middle East and Africa, for The World's 50 Best Hotels comes Near+Far: the fastest-growing independent travel title in the Middle East.

Near+Far is a 360-degree travel brand spanning digital magazine, newsletters and social channels and a soon-to-be-launched quarterly print publication. The brand is quickly becoming the go-to hub for inspiration, aspiration, holiday planning, relevant and interesting travel news and honest hotel reviews with a trusted first-hand rating.

The name Near+Far represents two distinct pillars of the brand.

Near: the Middle East itself and destinations reachable by short-haul flights or boat trips, and Far: destinations and hotels reached by long-haul flights to faraway lands that locals and expats are spending a sizeable chunk of their income on.

# NEAR+ FAR PRINT EDITION

Lovingly curated to bring the best of the world to the Middle East and the Middle East to the world, Near+Far's print product is unlike any other travel magazine in the region. As a coffee table-esque read, it's designed to stay relevant and topical for long periods, delighting readers with its stunning visuals, immersive travel photography and editorial and brand storytelling – providing unrivalled inspiration and escapism for destinations both Near and Far.

We have created the magazine we've always wanted to read – a collection of beautiful imagery, ideas, inspiration and things to pack along the way. In Near+Far, the photography leads and tells the story, bringing the reader in and inspiring through images first - replicating the visual pull of social media.

Near+Far editorial features are told by writers who have experienced these travels first-hand and who are trusted, discerning and stylish figures in the industry telling their personal experiences and sharing advice and inspiration with the reader. At the helm is Isabella Sullivan, a former Editor of Conde Nast Traveller, Academy Chair for The World's 50 Best Hotels, KOL and a ferocious and fussy traveller who knows how crucial superlative, rewarding travel experiences are in today's fast-paced world.

Near+Far will be available in five-star hotels, office suites, members' clubs, First and Business Class airport lounges and creative co-working spaces, coffee shops and restaurants – with more stockists being secured regularly.

Debut issue expected readership and reach: 60k+

The debut issue will be current and valid for 4-6 months, with issue two planned for Q3 2024 – giving each story, brand partner, advert maximum exposure and longevity.
