MISSIONS
across the street & around the world

When taking our grandson fishing for the first time he came home empty handed. It was going to take more than one try to get some skills and knowlege before out smarting those fish! The underwater world is so different than ours .Determined that he could catch fish he willingly got up at 5:00am the next day to hit the lake! And after trying again he reeled in fish after fish! Total catch was eleven!

The underwater world is so different from ours. We don't look like fish or think like fish or live like fish! So it's exciting when you can invade their kingdom and actually catch one!

And so is it with the spiritual world. Until we are born of the water and of the spirit, we can not understand or discern the things of the spirit. But Praise be to God that once He fills us with the Holy Spirit He gives us everything we need to think as we should, live as we should and walk like we should!

Jesus said,
Luk 10:19 Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

Luk 10:20 Notwithstanding in this rejoice not, that the spirits are subject unto you; but rather rejoice, because your names are written in heaven.

This gives us a whole new view when following the Spirit of the Lord. Jesus told us He would make us Fishers of Men!

And what do we know of that? Nothing but by the Spirit! Jesus has equipped His people with everything they need to reach souls. However, we have to learn how to do this the Kingdom way and not by our own thinking.

Stay prayed up, read the Word and reach the Lost!

Continued prayer for our missionaries Arian and Cherish Nilsen in Norway and for the Briggs family all so in Norway. Pray for authority in Fredrikstad as a new work is being birthed.

Pray for a Pastor in Wales and for strength of the people. Pray for Pastor Vey in Germany and the Apostolic Church. Pray for Pastor and Sister Brochu in France . Thank you for your support for Missions.

May the Lord Bless you as you Bless others.
Respectfully, Sister Stone

Greetings in Jesus,

Due to unforeseen circumstances, we are
rescheduling last month's Prayer Walk for this
month. The Lord has laid this act of faith on our
heart and we're expecting it to impact the
student community in Orono.

Please hold this ministry and the UMO campus
in prayer throughout the summer break
and let's watch what God will do!

- Thank you, Arvin Machado
