

# 2023 Annual Report

2023 was another banner year at FPCC! Construction began late 2023 to add additional classrooms for REACH Early Learning as we continue to expand and grow, serving youth 6 weeks to 5 years. Construction also includes some much-needed building maintenance updates, all to be completed in early 2024. Immediate Need services continue to grow at The Elaine with food pantry, free thrift store, and hot meals seeing pre-COVID numbers. Community Garden continues to increase production and services. Christmas program continues to be a successful program of giving back to the community.

Another great year thanks to the support of our volunteers and donors!
