

A romantic couple is shown in silhouette, embracing and kissing on a rocky ledge. They are positioned in the lower center of the frame, looking out over a vast, rugged landscape. The woman is wearing a white, sleeveless, lace-patterned dress, and the man is wearing a dark long-sleeved shirt and light-colored trousers. The background features towering, dark rock formations on either side of a winding river valley. The sky is filled with soft, white clouds, and the overall lighting is warm and golden, suggesting late afternoon or early morning. The text 'ELOPEMENT INVESTMENT GUIDE' is overlaid in the center of the image in a white, serif font.

## INVESTMENT GUIDE

## *WELCOME!*

I'M SO EXCITED YOU'RE HERE! If you've made it this far you've already been cleared as one of the coolest couples ever and I can't wait to be a part of your special day!

I built this experience as a way to tie what I love doing (scouring google maps, driving for hours down dirt roads, finding hidden treasures, getting dirty, sleeping in the middle of nowhere and meeting rad people just to give a few examples) to what I feel passionate about, capturing love stories through photos that feel like stills from a romance movie.

The easiest way to explain my mission is to picture a weekend with friends in the desert; dogs are playing, speakers are blaring everything ranging from country to folk to pop, fires roaring, foods cooking, coolers are stocked, frisbee is flying. The only difference is this time you get to take a huge step into your future and say "I do" to spending the rest of your life with your person.

I can't wait to hear all about what you're envisioning and help you plan a weekend that's truly unlike any other.
