OUR MISSION

Salood is dedicated to providing financial relief for families impacted by childhood cancer.

We are driven by a sense of urgency to ensure that families do not have to make impossible choices between caring for their child and meeting their basic needs.

We exist to alleviate the financial burden on families facing pediatric cancer.

FINANCIAL AID FUND

When a child is diagnosed with a serious medical condition, the challenges extend far beyond the hospital walls. Families often face overwhelming emotional and financial pressures during an already difficult time. Salood established a financial aid fund to provide financial relief to families at Driscoll Children's Hospital—helping with everyday essentials, and offering a moment of relief when it's needed most. Your sponsorship helps make this possible.

ABOUT THE EVENT

Salood and Driscoll Children's Hospital invite you to a special evening where every swing, laugh, and shared moment helps support families impacted by childhood cancer. This fundraiser directly fuels Salood's Financial Aid Fund—providing financial relief to families and caregivers in our RGV community.
