

WEDDING PRICING GUIDE

Hi There!

I'm Riley Jean, and I travel all over the gorgeous PNW (& the world!) photographing adventure elopements, micro weddings, and people in love! I have lived in Oregon my entire life, and have been photographing weddings for almost ten years. And I am SO freaking glad that you're here!!

There's something so magical about being able to preserve and freeze a moment of time between two people in love; hands clasped together, the intimacy of vowing to love each other forever, and sharing that first kiss as married souls, especially out in nature. Wherever we end up in the world, I'm here for every piece of your adventure, and it means the world to me to be the one to preserve your memories for you, and for generations to come.

Whether you're eloping at a hidden forest lake, under a magical coastal sunsets, or hanging with your favorite people at an airbnb, I'm there! I'm not just capturing moments, I'm capturing how your day **FEELS**. From the smallest detail to the biggest moment, every piece of your day matters. At the heart of what I do is the desire to keep things **REAL**. Real colors, real moments, real laughs, the real **YOU**. And from our first chat to when you're seeing your photos come to life, I am there for you every step of the way! **LET'S DO THIS!**

xxx, Riley Jean

A romantic scene of a couple holding hands and standing in a field of tall grass and wildflowers at sunset. The sun is low on the horizon, creating a warm, golden glow that fills the sky and the field. The couple is silhouetted against the bright light. In the background, there are dark evergreen trees and a distant shoreline with a beach and ocean under a cloudy sky.

Kind Words

Riley is AMAZING! My husband and I worked with her for our elopement. The conversations leading up to the big day were so easy and she had so many great ideas for our special day. She knew how to make us both comfortable in front of the camera and honestly made the day even more memorable.

Her bright personality and great sense of humor never burned out. She made the planning so much easier and gave us insight in ways we wouldn't have expected. She's always quick to respond in a thoughtful manner and the creative ideas never run out.

We are so excited to be able to share our elopement with family and friends through the beautiful photos Riley was able to capture. We feel so lucky to have had the opportunity to work with someone so kind hearted and talented. We will definitely be returning to Riley for more sessions in the future. Keep up the amazing work friend!

ADDING 35MM FILM TO YOUR DIGITAL PACKAGE

Film is such a beautiful and nostalgic way to document your day. Even just a few rolls here and there can be such a fun thing to have from your wedding day and has such a different feel than your digital images! These images would be taken on a variety of 35mm film cameras by me, sent to a lab for processing and developing, and then have slight adjustments made to them by me before being uploaded to your gallery alongside your digital photos.

FAQ

WHAT IF THE WEATHER IS WILD OR WE NEED TO RESCHEDULE FOR SOME REASON?

Even with rain or storms on the forecast, I can make pretty much anything work (I'm a born and raised Oregonian so I got this)! We can come up with a plan for your day together and chat about having a rain plan, but if you truly want to reschedule, I can make that work too as long as you're flexible with my availability and all your payments will transfer to that new date.

HOW AND WHEN DO I RECEIVE MY PHOTOS, AND HOW MANY WILL I RECEIVE?

Your gallery is delivered via email with a link to your digital gallery and a pin number to download your photos! Depending on the season, most galleries take up to 12 weeks to be finished, which is why you'll get sneak peaks within 72 hours! For couples sessions expect a minimum of 100 photos, and for any elopement or micro wedding you can expect a minimum of 300 photos (see film pricing for approx film photo numbers).

DO YOU OFFER PAYMENT PLANS?

Yes! I know everyone's budgets/lives are different, so I want to do whatever I can so we can work together!

DO YOU GIVE US RAW (UNEDITED) PHOTOS?

No, I don't send any un-edited/raw files! Most of the magic happens during the editing process, so without that step your photos are only half way done! These photos are your memories and my art, so I want to treat them with the utmost care.

HOW DO TRAVEL FEES WORK FOR LOCATIONS OUTSIDE OF OREGON ?

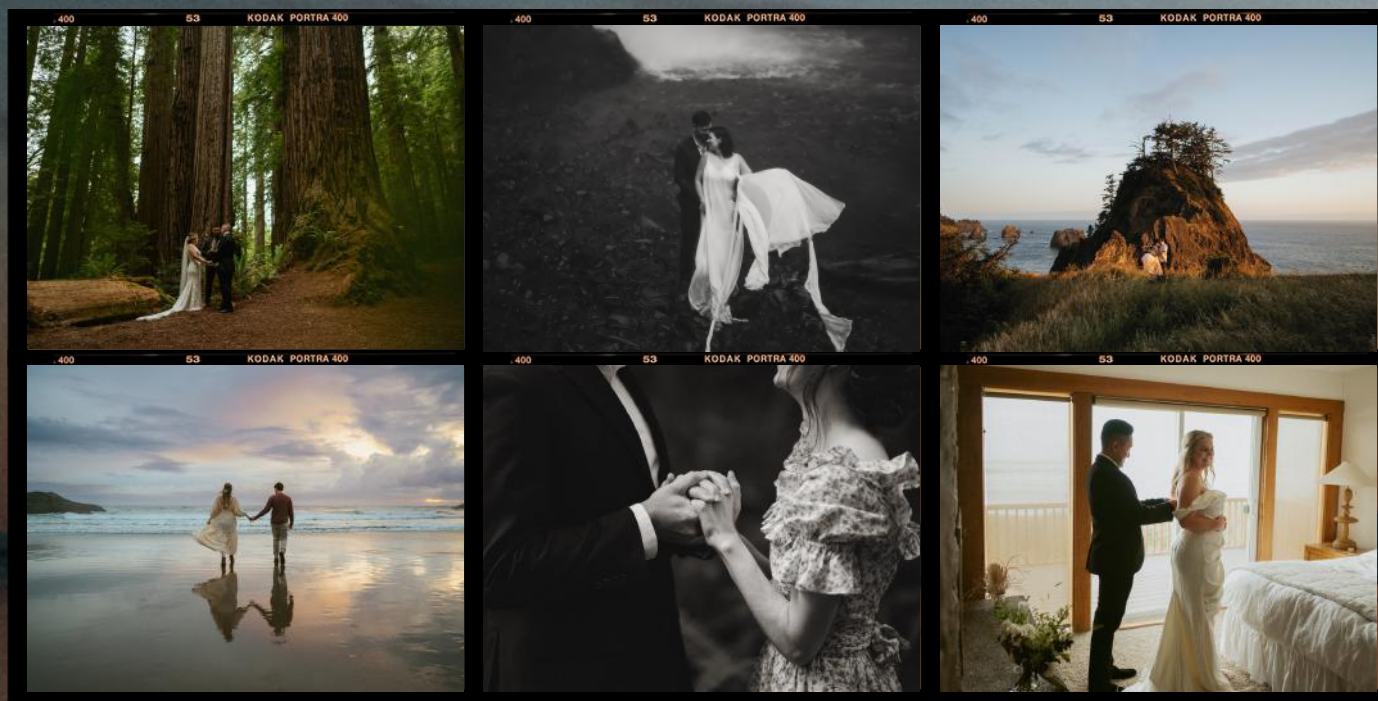

I will work all your travel fees (my flights, accommodations, and rental car) into your contract and invoice, so it's all paid within your contract and nothing is added later.

A romantic couple is shown from the waist down, holding hands in a lush field of white wildflowers. The person on the right is wearing a white long-sleeved shirt and light blue jeans, while the person on the left is wearing a grey jacket. The background is a soft-focus field of green foliage and white flowers.

She takes time to get to know her couples and make sure that their unique love is at the center of every single picture she takes. She gives great instructions and will always keep you laughing through every shoot! She is also just the warmest, funniest, sweetest human. You will LOVE having her energy around when you're celebrating your love !!!
