CLIENT TESTIMONIALS...

"Robin – I just wanted to thank you for all your time, support and exceptional guidance yesterday! I came away from our session incredibly energized about putting all your guidance to good use, and can't wait to start tearing through my closet and looking critically at what I can improve, optimize, or shed! I had such a great time meeting you. You made the process so clear and straightforward, and are an absolute pleasure!

– V. Stephen

"I can't begin to tell you how much your input has changed my outlook and my approach to dressing myself."

– W. Paul

"Working with Robin has given me the confidence to know I can look pulled together and fashionable no matter what I'm doing. Sometimes my wardrobe worked and sometimes it didn't. Robin gave me insight into why and how I can get my look back on track when it seems to falter. I'm getting plenty of compliments now and it is motivating to keep going."

– M. Johnson

"I am so thankful that I found Robin! She is an absolute genius at what she does. Before working with her, I was perpetually overwhelmed by my closet. I would shop 'intuitively,' and then find that almost nothing I bought coordinated with anything else. I never felt confident or comfortable when getting dressed. Robin educated me about how to dress for my style personality, and also about my color palette."
