BRIGHTER FUTURES TOGETHER

## Winterfest at Canada's Wonderland

On Friday, December 6th, TIA students had a very special trip to Canada's Wonderland! This year, we went to Winter Fest -an immersive holiday experience at Wonderland that features ice-skating, live shows, rides, and Christmas scenery. The bus picked up staff and students at 4:40pm and took them directly to Wonderland. Students were then free to enjoy the festivities until 9:00pm. Staff and students worked hard this year, and this was a very special send-off for everybody. We look forward to more school events in this Christmas season.

# University Applications Deadline

The university application deadline in Ontario is quickly approaching. This month, most TIA students finalized their OUAC applications. TIA counsellors helped students fill out forms, review applications, and answer any questions.

This is an important school year for grade 12s, so please make sure you are checking your emails and filling out any supplementary applications with care and precision.

BRIGHTER FUTURES TOGETHER

## Most wonderful time of the year!

On Thursday, December 19, TIA had its annual Christmas All natural Christmas tree, potluck and Secret Santa celebrations filled the air. TIA Students were trilled as they decorated a fresh Christmas pine tree for the very first time this year.

Students brought Secret Santa presents for one another. Santa came to TIA to deliver the presents and take part in the festivities.

## Christmas Potluck!

Staff and students then brought in food from different cuisines. Students spent the afternoon doing karaoke and dance. We would like to thank everyone for their generous gifts and their delicious food.

We hope you all have a wonderful Christmas break and a happy new year!
