

## The Workshop at The Sixpence

We are so happy that you have chosen to use our *Workshop* for your wedding day! We hope that your experience here is special and memorable! We trust that you will care for it as if it were your own.

Our Wifi: The Sixpence

Our Password: Letscelebrate!

You are welcome to use the outdoor wood burning fire pit while you are here, but remember that *The Workshop* rental does not extend to *The Homestead*.

Your rental time is 9 a.m. to 11 p.m. the same day as your Barn rental.

We ask that you help us with a few things while you enjoy this space:

**\*\*ABSOLUTELY NO ALCOHOL may be brought onto the property.** This will be strictly enforced, and may cause the Bride and Groom to forgo their deposit. However, if you would like something from our bar, please let us know. We will be happy to serve you!

- Please lay all used towels/washcloths on the bathroom floor before leaving.
- Throw all trash into trash cans.
- Take all food with you, or throw it away.
- Take all paper products etc. with you, but if you would like to leave them for the next guests, that would be fine.
- Please tidy all areas before leaving, and dispose of trash bags into the dumpster.

Please contact the Venue Manager in *The Barn*, if you have any questions or concerns. We would be happy to help you.

Thank you for your cooperation!
