# KARRIE BRADY

SALES EXPERT

## ABOUT

Karrie Brady is well known for her online marketing skills, tough-love / no-fluff sales strategy, and energetic personality.

Her community is full of motivated, action-driven, female entrepreneurs.

They value closeness, trust, transparency, and overall keeping it blunt and real.

She organically shares products and services around motherhood, entrepreneurship, home decor, and other lifestyle areas like fashion.

KARRIE BRADY

A woman with long, wavy hair is standing in a modern interior, wearing a white blazer. She is looking down and has her arms crossed. The background is a blurred view of a contemporary living space with a pink sofa, a grey armchair, and a yellow stool. The overall tone is warm and sophisticated.
