

## **Floral Designer - FT**

### **Job Description:**

As a part of our full-time production team, the responsibility of the Floral Designer is to assist in the prepping, processing and floral design production of our events. This person reports directly to the Floral Studio Manager. This job is a full-time year-round position.

### **Responsibilities:**

- Design of centerpiece arrangements, focal arrangements, personal flowers, and on-site floral installations
- Assist in event set-ups and installations
- Painting of inventory (bars, pedestals, planter boxes, etc.)
- Prepping of inventory (cleaning glass, pulling inventory for upcoming events, foaming vases, etc.)
- Studio maintenance (washing buckets, sweeping work area, taking out trash, organizing inventory, etc.)

### **Qualifications:**

- (3)+ years of floral design experience (ideally working in the events industry)
- Must be able to work on feet all day and lift 50+ pounds on a regular basis
- Must have flexible schedule as busy season may require 6 days/week

### **Compensation & Benefits:**

- Full time salary position (starting salary ranging from \$45,000-\$50,000/year)
- Paid time off (Holidays + 12 personal days to start + 1 week company shut-down)
- Eligible for health, dental, and vision insurance
