## Blue Level

### Equip Your Business

Distributor Level (Serving Red Level Customers)

For Distributors who want to own their own Hydrix Boa Pod, this level is designed to maximize service capability. By supporting Red Level customers, you'll be equipped to meet urgent repair needs quickly and reliably.

- Expand your customer service reach
- Deliver faster response times

Hydrix BOA Pod: Service power in your hands

## Gold Level

### Do It All

Hybrid Level (Fleet + External Customers)

Some companies need more than one solution. With a Hydrix BOA Pod, you can service your own fleet and expand into serving customers in your area - creating an additional revenue stream while keeping your equipment operational.

- Dual-purpose servicing capabilities
- Boost efficiency for your fleet
- Generate new income through customer support

Hydrix BOA Pod: Your fleet. Your customers. Your growth.
