

WHERE MAGIC BECOMES MEMORIES

PLANNING GUIDE

IF YOU'VE EVER FELT OVERWHELMED BY VACATION PLANNING....  
*you're in exactly the right place.*

My name is Miranda, and I am here to turn that vacation planning stress into pure magic - like hitting the 'easy' button on your next vacation, where all the heavy lifting and hard work is done for you.

I know firsthand how complicated planning the perfect family vacation can be. Between endless Google searches, conflicting advice, and trying to make sure you don't miss anything important - it's exhausting! And while no *truly perfect* vacation exists, my job is to make it as close as possible - practically perfect, if you will.

My superpower? Creating completely customized vacation strategies that take every single detail off your plate. Whether you're dreaming of your child's first Disney experience, planning a girls' trip, or just looking to create more of those core memories your family will talk about for years, I've got you covered.

With over 6 years of experience and over 500 families assisted, I'm not just another travel advisor - I'm basically your vacation fairy godmother.

My goal isn't *just* to book a trip, but to ensure you have a relaxed, stress-free experience where you can focus on making memories instead of managing logistics.

I am so excited to get started planning with you - let's dive in to how it all works.

*Hi, it's me!*

*Miranda Quinn*

# WHY USE A TRAVEL ADVISOR?

## PERSONALIZED SERVICE

My number one goal? To get to know your family so the decision making for you is even easier.

By getting to know you and your preferences, I am able to make personalized recommendations specifically geared toward those interests and priorities.

## VIP SERVICE AND EXPERT KNOWLEDGE

Disney vacations are not your average family vacation - just do a quick google search of "Disney tips" and you'll come up with thousands of results - none of which the average traveler can parse through to find out what's accurate, what's outdated and what's just plain wrong.

That's where an expert comes into play -- I know the in's and out's & am deeply committed to making sure you have the necessary knowledge to make your vacation not only successful - but magical. It's like having a Disney bestie on speed dial.

## PEACE OF MIND THAT THE DETAILS ARE HANDLED

Let's be honest - there are a LOT of moving parts to a Disney vacation. Which airport do you fly into? How are you going to get from the airport to the resort? How many park tickets do you need and which park ticket is best? Dining reservations opening at the crack of dawn? That MUST HAVE Bibbidi Bobbidi Boutique appointment? And Lightning Lanes?!

There's a lot of ground to cover but rest assured -- nothing will slip through the cracks, no stone will be left unturned. You're in good hands.
