Trip Attendance Guidelines

Flights

Once you are registered for the trip, you will be responsible for booking your own round-trip flight(s). We will reimburse you up to \$450 if you earn a flight for one, or \$900 if you earn a flight for two.

Reimbursement will be issued 30 days after the close of the trip, and only after receipts have been submitted to events@lifewave.com. Please see the FAQ section of this document for more details.

Accommodations

Trip qualifiers will be provided with accommodations in a standard guest occupancy cabin, on the host cruise line during the program dates. Cruise lines do not allow extensions beyond the scheduled itinerary, except in the case of back-to-back cruises. All extensions are subject to availability, must be arranged directly with the cruise line, and will be at the qualifier's expense.

Airport Transfers

Ground transportation will be provided between the airport and the resort on official arrival and departure days. Anyone arriving prior to or staying past the program dates will be responsible for their own transfers.

Meals

Most meals are provided. Please see the trip itinerary when available for details. We recommend being prepared to cover your meals on your travel days to and from the program.

Transfers

All earned trips and flight credits are nontransferable and have no cash value.

Incidental Charges

No incidental charges are covered by LifeWave. Upon arrival at the resort, you will be asked to present a credit card to be kept on file for incidental charges, and most resorts will place a hold on this card for the duration of the stay.

Tax Reporting

The cost of accommodations, meals, gifts, prizes, and activities will be reported to the tax authority where required.

Activities

We want you to experience the features of this amazing destination; therefore, some group activities will be provided, and you will also get some free time to explore on your own. More details will be made available during the registration process.

Frequently Asked Questions

Earning Points

Q1 Are any enrollments not eligible for incentive points?

A1 Yes. The Starter enrollments are not eligible for points. Bronze to Core and Platinum to Premium are lateral moves and will not be eligible for points.

Q2 If a Brand Partner achieves more than one new qualifying rank during the qualification period, am I eligible for all associated points?

A2 Yes. If a new personally sponsored Brand Partner rank advances more than one rank during the qualification period, you will be eligible to earn points for each rank achieved.

Q3 Do I get rank-maintenance points if I get a paid-as rank lower than my starting rank?

A3 No. You will only get rank maintenance points for acquiring paid-as-rank equal to or above your starting lifetime rank at the beginning of the qualification period.

Q4 If I accomplished any of the other business-building activities just after the qualification period, can I still earn points?

A4 All achievements must occur during the qualification period of August 4th, 2025 – October 19th, 2025. No late activity will be counted.

Qualification and Registration

Q1 Is there a cap on the number of people who can earn the trip?

A1 No.

Q2 How do I know if I qualify?

A2 Qualifiers will be contacted at the end of the qualification period via email with an official invitation. Throughout the qualification period, a leader board will be available in the Back Office so that Brand Partners can see how many points they've accumulated.

Q3 Once I have been notified that I've earned the trip, how do I register?

A3 Once registration opens, you will receive an official invitation via email with a link to register and a registration deadline.

Q4 What will happen if I cannot attend?

A4 If you cannot attend (and we sincerely hope that you can), you will forfeit the trip. The trip is nontransferable and has no cash value.

Q5 What happens if I do not confirm I am coming and I show up anyway?

A5 We can only guarantee transportation, accommodation, and participation for those who register and provide the necessary details by the deadlines outlined.

Q6 Can I bring a guest?

A6 You must meet the point qualification for a guest. No additional guests may be brought. Your guest must meet these criteria:

- a. Guest must not be a LifeWave Brand Partner, except for a spouse/domestic partner or adult child
- b. Guest must be over the age of 18

Travel and Flight Details

Q1 Do I need a visa or passport?

A1 It is your responsibility and our strong recommendation that you check with your local embassy or your trip destination embassy to determine if a visa is needed and whether there is a cost associated. If you need to request a visa letter, please email us at events@lifewave.com.

Q2 What happens if I do not get the proper travel documents (such as a visa) or do not have the appropriate passport documentation and am denied boarding my flight?

A2 The proper travel documents are your responsibility. Should you not procure the appropriate travel documents and are denied boarding, and are unable to attend the trip, you forfeit the value of the trip as well as your airfare voucher, and any cancellation fees will apply.

Q3 If the reward trip gets cancelled due to external, uncontrollable circumstances, will LifeWave compensate members for the value of the trip?

A3 We will reimburse up to \$450 if you earn at least 100 points, or \$900 if you earn a trip for two. If your flight value is less than those amounts, you will only be reimbursed to the value on your receipt
