

WELCOME TO

CURATED TRAVEL CO

First off, we are so excited that you are interested  
in working with us!

We take a collaborative approach to travel planning, that  
takes your tastes, interests, and budget into consideration.

# HOW WE *Work*

THIS IS WHAT YOU SHOULD EXPECT FROM US AT THE DIFFERENT STAGES OF PLANNING YOUR DREAM VACATION:

## STEP 1: REACH OUT

The first step towards creating your dream vacation is to complete our contact form. If you are unsure who you would like to work with, complete the "General" form and we will match you to the agent that best suits your inquiry.

## STEP 2: DISCUSS YOUR TRIP

After receiving your inquiry form, we will send you an email with a link to your agent's calendar. During this call, you will select the planning option that best suits your needs. Once the invoice for the selected option is paid, your travel designer will begin creating your proposal.

## STEP 3: REVIEW YOUR PROPOSAL

We will take insights from the intake call and apply our knowledge to create a proposal that we think meets all your travel wishes. We thrive on timely feedback during this stage of the planning process.

## STEP 4: CONFIRM YOUR ITINERARY

Once you approve your proposal, you will be invoiced for the deposit amount. Deposits and due dates are dependent on the proximity to the trip, as well as the partner that the trip is booked through.

# WHAT TO EXPECT

## WHAT WE NEED FROM YOU

---

Prior to the initial call, please review your must-haves and budget for the trip. This allows us to talk through expectations and get to know your vision.

Because each of our itineraries is custom-curated, we take time and care to select properties, routes, and concepts that match your style.

We work with specialized vendors that allow for Curated Travel Co. to provide an intimate approach to each destination. Our planning options are what compensate our team members for the knowledge that they have collected over their career and their time to compile the best option for each client.

## THE PERKS OF WORKING WITH CURATED TAVEL CO.

We work to match you with your ideal destinations, hotels, and experiences. Our goal is to leave you with one to-do: packing!

Our approach is to help remove the intimidation from travel and to be a resource as you prepare for your departure.

We work with local specialists who help create an authentic approach to your chosen destination.

# HIGHLIGHTS

We have varied planning packages that allow you to decide how much planning assistance best suits your travel style.

We provide you with detailed, individualized service, but need your input and honest feedback to do our best work.

We provide bundled rates from destination-specific partners that provide you with incredible value. We are unable to provide individual price components.

Thank You

WE LOOK FORWARD TO WORKING WITH YOU!

Our goal is to help you create your ideal vacation, while knowing that we are a trusted resource that can help you maximize your time away, as well as your travel investment.

We are in the business of creating a completely customized and hands-on approach to a once-in-a-lifetime getaway. Price-matching and competing with online travel agencies are not in our business model.

At Curated Travel Co. you are not just another confirmation number. Your business is personal to us.
